Die folgenden Informationen liegen ausschließlich in englischer Sprache vor.

LISAvienna cordially invites you to attend the ninth Regulatory Affairs Conference for Medical Devices and In Vitro Diagnostics, taking place on October 15, 2025, in Vienna.

Look forward to a day filled with expert presentations, interactive discussions, and practical insights into all aspects of market authorization, along with the latest updates on MDR, IVDR, and other relevant regulations. Take advantage of this opportunity to stay informed and expand your professional network.

Register now to secure your spot and join us for an unforgettable experience at a fantastic venue, Apothekertrakt, Schönbrunn Palace!

What's new?

- The conference will be conducted in English to accommodate our growing international community.
- B2match, a professional partnering tool, will enhance strategic networking, especially for start-ups and newcomers.
- A revised session format: 3 x 3 parallel sessions instead of 2 x 5, allowing participants to attend more discussions.

About LISAvienna

LISAvienna is the cluster platform for life sciences in Vienna, which was set up at the interface of Austria Wirtschaftsservice and the Vienna Business Agency. On behalf of the Austrian Federal Ministry of Economy, Energy and Tourism and the City of Vienna, it contributes to the further development of the industry. LISAvienna supports innovative companies in the fields of biotechnology, pharmaceuticals, medical products and digital health that develop new products, services and processes in Vienna and bring them to market internationally. The platform connects these companies with development partners and lead customers. As a thought leader, LISAvienna provides a basis for decision-making to strengthen the life sciences in Vienna and helps to position Vienna as one of Europe's leading innovation centers.
